

SkyStep features:

- 3 equally spaced steps enhance ease of entry.
- Enclosed back & sides help prevent slips and improve passenger security.
- A gas cylinder helps smoothly deploy the step, reducing risk of damage to door sill or toes.
- Precision machined from tough aircraft aluminum for long life.
- Easy field installation, typically in less than 2 hours.
- Limited Lifetime warranty for as long as you own your Citation.
- Mobile installation service is available — call for details.
