

JOB DESCRIPTION: Sheet Metal Mechanic

Location:

SkyWay-MRO, Garner Field Airport
122 Howard Langford Drive
Uvalde, Texas 78801
www.skyway-mro.com

Position Overview:

The Sheet Metal Mechanic is responsible for installations, repairs, and replacement of sheet metal components of aircraft, including various structural assemblies and sub-assemblies. Sheet Metal Mechanics fabricate replacement parts and perform complex structural repairs to meet aircraft specifications.

Key Responsibilities

- Must understand aircraft repair manuals, blueprints, and engineering documents.
- Properly use, handle, and dispose of hazardous materials.
- Have proper knowledge of Federal Aviation Administration (FAA) quality inspections and ensure all work complies with guidelines and specifications.
- Plans, fabricates, assembles, installs, and repairs sheet metal parts, equipment, and products utilizing knowledge of working characteristics of metallic and non-metallic materials, machining, and layout techniques.
- Selects gauge and type of sheet metal, such as stainless steel, steel, or aluminum, or nonmetallic material, such as plastics or fiberglass, according to product specifications.
- Lays out and marks dimensions and reference lines on material, using scribes, dividers, squares, and rulers applying knowledge of shop mathematics and layout techniques to develop and trace patterns of products or parts.
- Performs maintenance work such as repair and maintenance of company equipment and shop housecleaning.
- Makes appropriate entries in removal log, completes identification tags, and repairable/parts routing tags upon removing components from the aircraft.
- Ensure all work performed is done in a safe manner. Directs activities to protect employees from harm and maintain safe working conditions.

Qualifications:

- High school diploma or equivalent required
- 1+ years of sheet metal experience
- Strong attention to detail and manual dexterity
- Ability to follow detailed instructions and safety protocols
- Knowledge of Aviation industry a plus

- Must be able to lift up to 50 lbs., stand for extended periods, and work in confined areas

Compensation:

- Wage commensurate with experience
- Select paid holidays
- Paid vacation
- Medical
- Dental
- Vision
- 401(K)
- Life Insurance
- Voluntary Accident Plan
- Hospital Indemnity Plan
- Telemedicine Plan
